# Tower Crove Park.

Yesterday we explained to you our Special Insurance Feature in connection with the sale of this Magnificent Addition.

# **OUR TALK TO-DAY**

# SPECIAL BUILDING OFFER. \$2,500.00

## In Cash Bonuses Absolutely Given Away

While this and other offers made are not alone exceptional but unparalleled in the history of the Real Estate business of St. Louis, we desire to say that there is no philanthropy about it. Nothing but clean-cut, progressive business methods, beneficial alike to you and us.

There are always two sides to a proposition. We purpose in these talks to give you both ours as well as yours, and leave it to your good common sense as to the result.

We offer to each of the first ten buyers of lots in SOUTHAMPTON, building, completing and occupying their homes, a cash bonus of \$250. to be paid within 5 days from the first day of occupancy. You ask, why is this done? And that is where our side of the story comes in.

We want SOUTHAMPTON built up as rapidly as possible with a good class of improvements, because this means the advancement in value of all the surrounding property. And as we control some 300 acres in and around this Addition, we naturally are vitally interested in its growth and development. Therefore it is good business for us. Now for your side of it: We believe we have already demonstrated to you the advisability of getting in on the ground floor of a movement of this extent. Our desire is your opportunity. Take advantage of it-be one of the ten, we won't say lucky, but progressive founders of this New City "SOUTHAMPTON."

An equal opportunity will be given to all. We already have had several opportunities to dispose of lots to parties desirous of getting in on this offer, but no building will be allowed to start before next Monday morning, September 29th.

Quite a help-\$250 toward the building of your home-or, for that matter, the furnishing of it. Don't hesitate to be the first to build. Remember, this proposition is fostered by the Mercantile Trust Company, and our word for it-we will make of Southampton a "Home Place" second to none in the city. No question as to what will be on the next block, the next street or the next half mile. We control it all and will see to it that no objectionable feature enters to affect the value of your home site. Our interests are mutual.

Write or call for handsomely illustrated book giving full particulars and terms of this remark-
